

ITEM 80A/08

SUBJECT: SOFT TOP REPLACEMENT

MODELS: All

Effective March 1, 1980, should it become necessary to replace a convertible soft top under warranty, the following top kits are to be used:

Spitfire P/N BLM-105413

TR7 P/N JRT-105417

MGB P/N BLM-105411

Midget P/N ELM-105409

As these kits include just the top material less hardware and frame, it will be necessary to remove and reuse the bows, etc.

Time allowance:	TR7	1.8 hours	MGB	1.4 hours
	Spitfire	1.4 hours	Midget	2.8 hours

If it becomes necessary to replace a top assembly due to structural damage from accidents, etc., complete assemblies are available by special order. Trim and top replacement/repairs under the terms of the vehicle warranty require prior authorization.
